

MARRIAGE PREPARATION *Process*

"Look now with favor on these your servants, joined together in Marriage, who ask to be strengthened by your blessing. Send down on them the grace of the Holy Spirit and pour your love into their hearts, that they may remain faithful in the Marriage covenant."

MARRIAGE PREPARATION

Process

Congratulations on your decision to receive the Sacrament of Matrimony! The marriage preparation process is designed to guide engaged or civilly married couples towards a sacramental marriage and provide essential tools to live out this lifelong covenant. This process applies to all Catholics in the Diocese of Orlando.

A. Preliminary Interview

Schedule a meeting with a priest, deacon, or pastoral minister at your local parish to begin the sacramental preparation for marriage. This meeting should take place between six to twelve months prior to the anticipated wedding date and before any wedding or reception arrangements are made. During this interview, the priest, deacon, or pastoral minister will provide you with an explanation of the process for marriage preparation and request any necessary documents needed to complete your pre-nuptial file.

**If either party has had a previous marriage (whether civil or religious) no wedding preparation/date may be set until written notification is received that the Declaration of Nullity is final, and until any restriction on a future marriage has been removed. Contact your parish priest to inquire and begin the annulment process. For further information about Annulments, visit the Tribunal page: <https://www.orlandodiocese.org/office/about-us-annulments/>*

B. Assessment to Determine Readiness

The preparing minister will use a variety of methods to assist in determining the maturity of the couple and their readiness for marriage. This assessment includes completing the prenuptial questionnaire (form A), witness forms (form B), and pre-marital inventory process (e.g. Fully Engaged, FOCCUS, etc.)

C. Setting the Date

The final date for the wedding is not to be set until the entire assessment process has been completed and a decision to proceed with sacramental preparation for marriage has been made.

D. Instruction

After the readiness for marriage has been determined, the couple will finalize the wedding date and begin the instruction process. The preparing minister will outline the sacramental preparation required. The instruction process includes participating in a marriage formation program/course.

**If your parish does not offer marriage formation, you may attend a Diocesan Pre-Cana. If you are unable to attend an in-person program, contact your preparing minister for information about diocesan-approved online pre-marital course options.*

E. Wedding Liturgy

The couple will plan their wedding liturgy with the preparing minister. Areas for liturgical planning include the selection of scriptures, music, liturgical ministries and other related items.
